

Children in action

July until September 2021

Discover TUX Welten / daily

An easy hiking-tour along the river **Tuxbach**. You traverse different worlds and your children discover a new miracle of nature at each station. The **Animal and Plants World** will provide you with an insight into the interactions of organisms, and the **Water World** gets you ready for the frozen water - **Glacier World**. **The World of Gorges – Finkenberg** offers both a mystical experience and an adrenaline rush, and the **Nature World** opens up the world of nature and its secrets in an entertaining way. **Have lots of fun at the TUX Welten!**

Mountain adventure / daily

All adventurous kids crest the climbing wall or drive for bet their friends on the go-kart track at the **flea-park Sommerberg at 2.100 m** in **Hintertux**.

In the **Sommerberg**alm hiking, the **glacier flea safari**, an adventure course with tricky questions about water, snow and the mystery of the glacier, together with Luis' ball safari, the latest highlight with 3 sensational ball tracks and a ball tower is the mountain experience with a return effect. The treasure map is available at all ticket offices at the valley station in **Hintertux**. The ascent is barrier-free and easy to reach with a children's push-chair. Free ascent and descent for kids under 10 years under adult's supervision! **Middle of June until September**

Eggalmbahnen Tux-Lanersbach: Participation made easy at the **Eggalm hiking rally from 19.06. to 17.10.2021:** Simply get the hiking rally puzzle fun at the cashiers at the valley station, answer questions and collect 3 stamps in the hiking area **Eggalm**. At the end show the completed card at the valley station and pick up a lovely gift!

ALMSPIELEREI Eggalm: Around the top station of the **Eggalm** cable car, the children's paradise **ALMSPIELEREI** awaits all little adventurers. A large water pond with a play raft, pulling boat and a slackline invites you to romp and discover. Free ascent and descent for children under 10 years while accompanied by an adult.

Pepis Kinderland: In **Finkenberg** on the **Penkenjoch** not far from the storage pond, the 8-metres-high wooden bear, the **Penkenpepi**, welcomes its little hiking friends from afar. Inside the giant bear you will discover the ultimate playground. On the large area all around there are many attractions, such as a sand play area or an air cushion for jumping to play and romp around. The 15 m long tube slide promises pure thrills, and in Pepi's climbing garden you can test your climbing skills at various obstacles. Free ascent and descent for children under 10 years while accompanied by an adult!
Operating times Finkengerger Almbahnen: 03.06. – 26.10.2021
